VI. Legislative Discussion

Co-Chair Hawekotte gave the floor to Juliet Summers, Policy Coordinator for Child Welfare and Juvenile Justice with Voices for Children in Nebraska, to review the relevant legislative bills from the current session. Ms. Summers mentioned the probability of the Judiciary Committee condensing several of the proposed juvenile justice bills into one. The bills included would be LB675, LB709, LB843, LB893, and LB894.

Concerns were raised over the unintended consequences that could arise from LB675 and LB709. There was apprehension as to if there was a strong enough infrastructure, particularly in the western part of the state, to support the legislative requirements in the two bills. While Community Aid Funding was mentioned as a resource, there was still the issue of the time required to build up the programs using those funds.

Comments were made that many of the detention facilities have successful programs within them that may better serve youth if moved out of detention and into the communities. This would bring about the challenge of creating a culture shift for the communities to accept responsibility of the well-being of the system involved youth in their area.

The Committee agreed that it was important to distribute information over the next year regarding the availability of Community Based Aid grants. Kari Rumbaugh, Assistant Deputy Administrator of the Juvenile Division with the Administrative Office of Probation, indicated that a catalog of current programs with data mapping resources was in progress. It was suggested that the catalog and information be shared at the Nebraska Community Aid and Juvenile Justice Conference and the 2016 Children's Summit.

VII. Nebraska Juvenile Justice Association Update

Co-Chair Brundo invited Tom McBride, Executive Director with the Nebraska Juvenile Justice Association (NJJA), to present. Mr. McBride began by discussing the upcoming NJJA Conference happening May 18-20, 2016 in Kearney, NE. He went on to discuss the three keynote speakers, Françoise Mathieu, Starcia Ague, and Xavier McElrath-Bey. Break out topics would include working with developmentally disabled youth, youth engagement, education services, immigrant and refugee issues, LGBTQ youth issues, gang prevention, and several others. Mr. McBride also noted that several types of licensing credits would be offered for attending the conference.

Also highlighted, was the NJJA website, www.njja.org. The website was host to nomination forms for various recognitions, provided information on the annual NJJA Conference, and had a registration to receive newsletters from the Association. Mr. McBride discussed a recent meeting with several state Senators and other stakeholders where NJJA was presented as a resource for all entities involved in the child welfare system. Other topics reviewed included future webinars, interest in internship

opportunities, involvement in the Strengthening Families Act Taskforce, and the use of the Associations Strategic Plan to identify the best practices for Nebraska.

VIII. Standing Update Items

a. Court Improvement Project Update

Katie McLeese Stephenson, Project Director with the Court Improvement Project (CIP), provided an update for the Committee members. Ms. McLeese Stephenson highlighted the upcoming events for CIP including a meeting of the Youth Crossover Project teams and the 2016 Children's Summit from September 7-9, 2016 in Kearney, NE. She informed the members that this year's opening keynote speaker would be Shay Bilchik, Founder and Director of the Center for Juvenile Justice Reform at Georgetown University.

Ms. McLeese Stephenson went on to discuss the recent webinar walkthrough of the 2016 Legislative Bills pertaining to Child Welfare and Juvenile Justice available at www.cip.nebraska.gov. She also distributed the recent JUSTICE Statewide Child Welfare & Juvenile Justice Trend Analysis for the Committee to review. Other subjects Ms. McLeese Stephenson touched on were the Community and Evidence Based Services grant, CIP's work with the Crossover Youth Practice Model, and the work being done with the Strengthening Families Act Taskforce.

b. Georgetown Crossover Youth Practice Model

Nick Juliano, Senior Director of Community Impact with Boys Town, reported out on the Crossover Youth Practice Model in Douglas County. He let the members know that five counties were now participating in the project including Douglas, Gage, Sarpy, Lancaster, and Dodge counties. He reviewed the training efforts being done in Douglas County for staff.

Jana Peterson, Probation Consultant with the Office of Juvenile Services, expanded on the project by talking about the system wide efforts to create standardized policy and procedures. While the Georgetown Model may not expand further, the goal would be to take the established system and turn them into statewide practice.

Co-Chair Hawekottee raised the question as to how the Georgetown Model interfaces with the work of the Nebraska Children and Families Foundation work. Cassy Blakely, Assistant Vice President of Youth Policy with the Foundation, talked about the recent Social Innovation Fund (SIF) grant and the Connected Youth Initiatives (CYI) that were benefiting from the grant. Lengthy discussion occurred around the details of the SIF grant and CYI. Ms. Blakely indicated that she could ask the Coordinators for both projects to present more information at the next meeting.

c. Juvenile Services Community Based Aid (CBA)

Cynthia Kennedy, Community-Based Juvenile Services Aid Program Administrator with the Crime Commission, provided an update on the program. She noted that meetings have been happening with Nebraska Children and Families Foundation to ensure that services are not overlapping. Ms. Kennedy went through the review process of the CBA grant applications. It was noted that preliminary reviews showed an increased number of Alternatives to Detention programs.

Ms. Kennedy then turned to Dr. Anne Hobbs, Director at the Juvenile Justice Institute to go over the study that looked at the efficiency of the programs utilizing CBA funds. Dr. Hobbs distributed information breaking down the different types of current CBA programs. She focused on the truancy programs, indicating that type of program would be the first to have data entered into the system.

The Committee members had lengthy dialogue surrounding the study and measuring recidivism. Several issues were discussed including the value of a control group, the variance in interpretation of the collected data, and the varying factors that could influence the recidivism outcomes. Dr. Hobbs recognized the positives of the study such as creating common definitions of recidivism, identifying practices that aid in successful programs, and having a baseline to evaluate the effectiveness of the programs where currently there was no way to do so. She indicated that she would provide additional information at the next meeting for the Committee members regarding the study and its progress.

IX. YLS/CMI Study Proposal Update

Co-Chair Hawekotte informed the members that the YLS/CMI Study proposal was approved by the Nebraska Children's Commission. Chair Hawekotte noted that Probation would take the lead in the search for funding for the study with the support of the Committee members. Jeanne Brandner, Deputy Administrator of the Division of Juvenile Services with Probation, confirmed that they had a grant researcher on their team who had begun some preliminary exploration into potential funding sources.

X. Office of Juvenile Services (OJS) Update

Tony Green, Administrator with the Office of Juvenile Services, noted that interviews were currently happening to fill the role of Facility Administrator at the Kearney Youth Rehabilitation Treatment Center (YRTC). Mr. Green went on to discuss a research proposal that had recently been submitted to the OJS by the University of Nebraska, Kearney. The study would look at what involved youth identify as needs in order to be successful when reentering their community and would also identify if the indicated services were available to the youth in their prospective communities. If approved, the study would operate at both the Geneva and Kearney YRTCs.

Jana Peterson touched on the statewide initiatives. One of the major initiatives focused on technology accessibility. Ms. Peterson explained how Chromebooks were being provided to the youth to assist with school work. There was a goal for each youth to create an e-portfolio and Gmail account so that work such as resumes or projects can follow the youth as they reenter their communities. She continued by reviewing the training, monitoring, and discipline efforts surrounding the use of the technology.

XI. Probation Update

Jeanne Brandner provided an update on Probation. Topics covered included the progress of LB954, the work with Jana Peterson to crosswalk the various entities involved in the juvenile justice system, and the exploration of a partnership with Justice Benefits Inc. to maximize Title IV-E funds. Another subject that Ms. Brandner addressed was a pilot project in Lancaster County to address status offence population. The project included use of a new assessment tool, Juvenile Inventory for Functioning (JIFF).

Questions were raised regarding the Nebraska Juvenile Justice System Statistical Annual Report for 2015. After examination of several of the data charts, it was asked if a presentation on the report could be added to a future agenda. Ms. Brandner indicated that she could reach out to Jane Sutherland, who collected a majority of the data for the report.

XII. Data Mapping and Analysis (DMA) Taskforce Update

Mike Fargen, Research Director with the Foster Care Review Office and Chair of the DMA Taskforce, gave a brief update on the work of the group. Mr. Fargen let the members know that the request for information from JUSTICE was approved. The group planned to organize the data, noting that it may take some time to sort. Juliet Summers noted that there was a strong curiosity from the legislature to get more information about the data being gathered. The Taskforce planned to provide an update at the April meeting to share the data and address any gaps to be filled.

XIII. Public Comment

Co-Chair Hawekotte invited any members of the public forward. No public comment was offered.

XIV. New Business

The Committee was informed that two positions were currently open on the committee. Spots to be filled included a member with experience with diversionary programs and a member who was an educator with experience dealing with detention involved and at risk-youth. The Chairs encouraged Committee members to inform the staff of the Nebraska Children's Commission of any interested applicants.

XV. Upcoming Meeting Planning

Co-Chair Hawekotte inquired if the Committee members felt that the March meeting was too soon. Given the Legislative session and the need to gather information for several reports and updates, she offered the suggestion of cancelling the March meeting. The members agreed that the next meeting should not be held until April.

XVI. Future Meeting Dates

Meetings would continue monthly on the second Tuesday unless determined otherwise. Those dates were as follows:

- April 19, 2016
 - Due to the Blueprints Conference happening during this time, the meeting was moved from April 12th to the 19th.
- May 10, 2016

XIII. Adjourn

Co-Chair Hawekotte entertained a motion to adjourn. **Ron Johns moved to adjourn. Tom McBride seconded the motion. There was no discussion. Motion carried by unanimous voice vote.** The meeting adjourned at 2:00 p.m.

4 and in private at the place of custody.

5 Sec. 5. Section 43-250, Revised Statutes Supplement, 2015, is
6 amended to read:

7 43-250 (1) A peace officer who takes a juvenile into temporary
8 custody under section 29-401 or subdivision (1), (4), or (5) of section
9 43-248 shall immediately take reasonable measures to notify the
10 juvenile's parent, guardian, custodian, or relative and shall proceed as
11 follows:

12 (a) The peace officer may release a juvenile taken into temporary
13 custody under section 29-401 or subdivision (1) or (4) of section 43-248;

14 (b) The peace officer may require a juvenile taken into temporary
15 custody under section 29-401 or subdivision (1) or (4) of section 43-248
16 to appear before the court of the county in which such juvenile was taken
17 into custody at a time and place specified in the written notice prepared
18 in triplicate by the peace officer or at the call of the court. The
19 notice shall also contain a concise statement of the reasons such
20 juvenile was taken into custody. The peace officer shall deliver one copy
21 of the notice to such juvenile and require such juvenile or his or her
22 parent, guardian, other custodian, or relative, or both, to sign a
23 written promise that such signer will appear at the time and place
24 designated in the notice. Upon the execution of the promise to appear,
25 the peace officer shall immediately release such juvenile. The peace
26 officer shall, as soon as practicable, file one copy of the notice with
27 the county attorney or city attorney and, when required by the court,
28 also file a copy of the notice with the court or the officer appointed by
29 the court for such purpose; or

30 (c) The peace officer may retain temporary custody of a juvenile
31 taken into temporary custody under section 29-401 or subdivision (1),

1 (4), or (5) of section 43-248 and deliver the juvenile, if necessary, to
2 the probation officer and communicate all relevant available information
3 regarding such juvenile to the probation officer. The probation officer
4 shall determine the need for detention of the juvenile as provided in
5 section 43-260.01. Upon determining that the juvenile should be placed in
6 detention or an alternative to detention ~~a secure or nonsecure placement~~
7 and securing placement in such ~~secure or nonsecure~~ setting by the
8 probation officer, the peace officer shall implement the probation
9 officer's decision to release or to detain and place the juvenile. When
10 secure detention of a juvenile is necessary, such detention shall occur
11 within a juvenile detention facility except:

12 (i) When a juvenile described in subdivision (1) or (2) of section
13 43-247, except for a status offender, is taken into temporary custody
14 within a metropolitan statistical area and where no juvenile detention
15 facility is reasonably available, the juvenile may be delivered, for
16 temporary custody not to exceed six hours, to a secure area of a jail or
17 other facility intended or used for the detention of adults solely for
18 the purposes of identifying the juvenile and ascertaining his or her
19 health and well-being and for safekeeping while awaiting transport to an
20 appropriate juvenile placement or release to a responsible party;

21 (ii) When a juvenile described in subdivision (1) or (2) of section
22 43-247, except for a status offender, is taken into temporary custody
23 outside of a metropolitan statistical area and where no juvenile
24 detention facility is reasonably available, the juvenile may be
25 delivered, for temporary custody not to exceed twenty-four hours
26 excluding nonjudicial days and while awaiting an initial court
27 appearance, to a secure area of a jail or other facility intended or used
28 for the detention of adults solely for the purposes of identifying the
29 juvenile and ascertaining his or her health and well-being and for
30 safekeeping while awaiting transport to an appropriate juvenile placement
31 or release to a responsible party;

1 (iii) Whenever a juvenile is held in a secure area of any jail or
2 other facility intended or used for the detention of adults, there shall
3 be no verbal, visual, or physical contact between the juvenile and any
4 incarcerated adult and there shall be adequate staff to supervise and
5 monitor the juvenile's activities at all times. This subdivision shall
6 not apply to a juvenile charged with a felony as an adult in county or
7 district court if he or she is sixteen years of age or older;

8 (iv) If a juvenile is under sixteen years of age or is a juvenile as
9 described in subdivision (3) of section 43-247, he or she shall not be
10 placed within a secure area of a jail or other facility intended or used
11 for the detention of adults;

12 (v) If, within the time limits specified in subdivision (1)(c)(i) or
13 (1)(c)(ii) of this section, a felony charge is filed against the juvenile
14 as an adult in county or district court, he or she may be securely held
15 in a jail or other facility intended or used for the detention of adults
16 beyond the specified time limits;

17 (vi) A status offender or nonoffender taken into temporary custody
18 shall not be held in a secure area of a jail or other facility intended
19 or used for the detention of adults. Until January 1, 2013, a status
20 offender accused of violating a valid court order may be securely
21 detained in a juvenile detention facility longer than twenty-four hours
22 if he or she is afforded a detention hearing before a court within
23 twenty-four hours, excluding nonjudicial days, and if, prior to a
24 dispositional commitment to secure placement, a public agency, other than
25 a court or law enforcement agency, is afforded an opportunity to review
26 the juvenile's behavior and possible alternatives to secure placement and
27 has submitted a written report to the court; and

28 (vii) A juvenile described in subdivision (1) or (2) of section
29 43-247, except for a status offender, may be held in a secure area of a
30 jail or other facility intended or used for the detention of adults for
31 up to six hours before and six hours after any court appearance.

1 (2) When a juvenile is taken into temporary custody pursuant to
2 subdivision (2), ~~or (7)~~, or (8) of section 43-248, the peace officer
3 shall deliver the custody of such juvenile to the Department of Health
4 and Human Services which shall make a temporary placement of the juvenile
5 in the least restrictive environment consistent with the best interests
6 of the juvenile as determined by the department. The department shall
7 supervise such placement and, if necessary, consent to any necessary
8 emergency medical, psychological, or psychiatric treatment for such
9 juvenile. The department shall have no other authority with regard to
10 such temporary custody until or unless there is an order by the court
11 placing the juvenile in the custody of the department. If the peace
12 officer delivers temporary custody of the juvenile pursuant to this
13 subsection, the peace officer shall make a full written report to the
14 county attorney within twenty-four hours of taking such juvenile into
15 temporary custody. If a court order of temporary custody is not issued
16 within forty-eight hours of taking the juvenile into custody, the
17 temporary custody by the department shall terminate and the juvenile
18 shall be returned to the custody of his or her parent, guardian,
19 custodian, or relative.

20 (3) If the peace officer takes the juvenile into temporary custody
21 pursuant to subdivision (3) of section 43-248, the peace officer may
22 place the juvenile at a mental health facility for evaluation and
23 emergency treatment or may deliver the juvenile to the Department of
24 Health and Human Services as provided in subsection (2) of this section.
25 At the time of the admission or turning the juvenile over to the
26 department, the peace officer responsible for taking the juvenile into
27 custody pursuant to subdivision (3) of section 43-248 shall execute a
28 written certificate as prescribed by the Department of Health and Human
29 Services which will indicate that the peace officer believes the juvenile
30 to be mentally ill and dangerous, a summary of the subject's behavior
31 supporting such allegations, and that the harm described in section

1 71-908 is likely to occur before proceedings before a juvenile court may
2 be invoked to obtain custody of the juvenile. A copy of the certificate
3 shall be forwarded to the county attorney. The peace officer shall notify
4 the juvenile's parents, guardian, custodian, or relative of the
5 juvenile's placement.

6 (4) When a juvenile is taken into temporary custody pursuant to
7 subdivision (6) of section 43-248, the peace officer shall deliver the
8 juvenile to the enrolled school of such juvenile.

9 (5) A juvenile taken into custody pursuant to a legal warrant of
10 arrest shall be delivered to a probation officer who shall determine the
11 need for detention of the juvenile as provided in section 43-260.01. If
12 detention is not required, the juvenile may be released without bond if
13 such release is in the best interests of the juvenile, the safety of the
14 community is not at risk, and the court that issued the warrant is
15 notified that the juvenile had been taken into custody and was released.

16 (6) In determining the appropriate temporary placement or
17 alternative to detention of a juvenile under this section, the peace
18 officer shall select the placement or alternative which is least
19 restrictive of the juvenile's freedom so long as such placement or
20 alternative is compatible with the best interests of the juvenile and the
21 safety of the community. Any alternative to detention shall cause the
22 least restriction of the juvenile's freedom of movement consistent with
23 the best interest of the juvenile and the safety of the community.

24 Sec. 6. Section 43-251.01, Revised Statutes Supplement, 2015, is
25 amended to read:

26 43-251.01 All placements and commitments of juveniles for
27 evaluations or as temporary or final dispositions are subject to the
28 following:

29 (1) No juvenile shall be confined in an adult correctional facility
30 as a disposition of the court;

31 (2) A juvenile who is found to be a juvenile as described in

1 subdivision (3) of section 43-247 shall not be placed in an adult
2 correctional facility, the secure youth confinement facility operated by
3 the Department of Correctional Services, or a youth rehabilitation and
4 treatment center or committed to the Office of Juvenile Services;

5 (3) A juvenile who is found to be a juvenile as described in
6 subdivision (1), (2), or (4) of section 43-247 shall not be assigned or
7 transferred to an adult correctional facility or the secure youth
8 confinement facility operated by the Department of Correctional Services;

9 (4) A juvenile under the age of fourteen years shall not be placed
10 with or committed to a youth rehabilitation and treatment center;

11 (5) A juvenile shall not be detained in secure detention or placed
12 at a youth rehabilitation and treatment center unless detention or
13 placement of such juvenile is a matter of immediate and urgent necessity
14 for the protection of such juvenile or the person or property of another
15 or if it appears that such juvenile is likely to flee the jurisdiction of
16 the court;

17 (6) A juvenile alleged to be a juvenile as described in subdivision
18 ~~(3) (3)(b)~~ of section 43-247 shall not be placed in a juvenile detention
19 facility, including a wing labeled as staff secure at such facility,
20 unless the designated staff secure portion of the facility fully complies
21 with subdivision (5 ~~3~~) of section 83-4,125 and the ingress and egress to
22 the facility are restricted solely through staff supervision; and

23 (7) A juvenile alleged to be a juvenile as described in subdivision
24 (1), (2), (3)(b), or (4) of section 43-247 shall not be placed out of his
25 or her home as a dispositional order of the court unless:

26 (a) All available community-based resources have been exhausted to
27 assist the juvenile and his or her family; and

28 (b) Maintaining the juvenile in the home presents a significant risk
29 of harm to the juvenile or community.

30 Sec. 7. Section 43-253, Revised Statutes Cumulative Supplement,
31 2014, is amended to read:

1 43-253 (1) Upon delivery to the probation officer of a juvenile who
2 has been taken into temporary custody under section 29-401, 43-248, or
3 43-250, the probation officer shall immediately investigate the situation
4 of the juvenile and the nature and circumstances of the events
5 surrounding his or her being taken into custody. Such investigation may
6 be by informal means when appropriate.

7 (2) The probation officer's decision to release the juvenile from
8 custody or place the juvenile in ~~secure or nonsecure~~ detention or an
9 alternative to detention shall be based upon the results of the
10 standardized juvenile detention screening instrument described in section
11 43-260.01.

12 (3) No juvenile who has been taken into temporary custody under
13 subdivision (1)(c) of section 43-250 shall be detained in any secure
14 detention facility or be subject to an alternative to detention
15 infringing upon the juvenile's liberty interest for longer than twenty-
16 four hours, excluding nonjudicial days, after having been taken into
17 custody unless such juvenile has appeared personally before a court of
18 competent jurisdiction for a hearing to determine if continued detention,
19 services, or supervision is necessary. The juvenile shall be represented
20 by counsel at the hearing. Whether such counsel shall be provided at the
21 cost of the county shall be determined as provided in subsection (1) of
22 section 43-272. If continued secure detention is ordered, such detention
23 shall be in a juvenile detention facility, except that a juvenile charged
24 with a felony as an adult in county or district court may be held in an
25 adult jail as set forth in subdivision (1)(c)(v) of section 43-250. A
26 juvenile placed in an alternative to detention, but not in detention, may
27 waive this hearing through counsel.

28 (4) When the probation officer deems it to be in the best interests
29 of the juvenile, the probation officer shall immediately release such
30 juvenile to the custody of his or her parent. If the juvenile has both a
31 custodial and a noncustodial parent and the probation officer deems that

1 release of the juvenile to the custodial parent is not in the best
2 interests of the juvenile, the probation officer shall, if it is deemed
3 to be in the best interests of the juvenile, attempt to contact the
4 noncustodial parent, if any, of the juvenile and to release the juvenile
5 to such noncustodial parent. If such release is not possible or not
6 deemed to be in the best interests of the juvenile, the probation officer
7 may release the juvenile to the custody of a legal guardian, a
8 responsible relative, or another responsible person.

9 (5) The court may admit such juvenile to bail by bond in such amount
10 and on such conditions and security as the court, in its sole discretion,
11 shall determine, or the court may proceed as provided in section 43-254.
12 In no case shall the court or probation officer release such juvenile if
13 it appears that further detention or placement of such juvenile is a
14 matter of immediate and urgent necessity for the protection of such
15 juvenile or the person or property of another or if it appears that such
16 juvenile is likely to flee the jurisdiction of the court.

17 Sec. 8. Section 43-255, Revised Statutes Cumulative Supplement,
18 2014, is amended to read:

19 43-255 Whenever a juvenile is detained or placed in an alternative
20 to detention infringing upon the child's liberty interest under section
21 43-250 or 43-253, the juvenile shall be released unconditionally within
22 forty-eight hours after the detention or placement order or the setting
23 of bond, excluding nonjudicial days, unless within such period of time
24 (1) a motion has been filed alleging that such juvenile has violated an
25 order of the juvenile court, (2) a juvenile court petition has been filed
26 pursuant to section 43-274, or (3) a criminal complaint has been filed in
27 a court of competent jurisdiction.

28 Sec. 9. Section 43-256, Revised Statutes Cumulative Supplement,
29 2014, is amended to read:

30 43-256 When the court enters an order continuing placement, ~~or~~
31 detention, or an alternative to detention infringing upon the juvenile's

1 liberty interest pursuant to section 43-253, upon request of the
2 juvenile, or his or her parent, guardian, or attorney, the court shall
3 hold a hearing within forty-eight hours, at which hearing the burden of
4 proof shall be upon the state to show probable cause that such juvenile
5 is within the jurisdiction of the court. Strict rules of evidence shall
6 not apply at the probable cause hearing. The juvenile shall be released
7 if probable cause is not shown. At the option of the court, it may hold
8 the adjudication hearing provided in section 43-279 as soon as possible
9 instead of the probable cause hearing if held within a reasonable period
10 of time. This section and section 43-255 shall not apply to a juvenile
11 (1) who has escaped from a commitment or (2) who has been taken into
12 custody for his or her own protection as provided in subdivision (2) of
13 section 43-248 in which case the juvenile shall be held on order of the
14 court with jurisdiction for a reasonable period of time.

15 Sec. 10. Section 43-260, Reissue Revised Statutes of Nebraska, is
16 amended to read:

17 43-260 The Office of Probation Administration shall prepare and
18 distribute to probation officers a standardized juvenile detention
19 screening instrument. The types of risk factors to be included as well as
20 the format of this standardized juvenile detention screening instrument
21 shall be determined by the office. The standardized juvenile detention
22 screening instrument shall be used as an assessment tool statewide by
23 probation officers under section 43-260.01 in order to determine if
24 detention of the juvenile is necessary and, if so, whether ~~secure~~
25 ~~nonsecure~~ detention or an alternative to detention is indicated.
26 Probation officers trained to administer the juvenile detention screening
27 instrument shall act as juvenile intake probation officers. Only duly
28 trained probation officers shall be authorized to administer the juvenile
29 detention screening instrument.

30 Sec. 11. Section 43-260.01, Revised Statutes Cumulative Supplement,
31 2014, is amended to read:

1 43-260.01 The need for preadjudication placement, services, or
2 supervision and the need for detention of a juvenile and whether
3 detention secure or an alternative to detention nonsecure detention is
4 indicated shall be subject to subdivision (5) of section 43-251.01 and
5 may be determined as follows:

6 (1) The standardized juvenile detention screening instrument shall
7 be used to evaluate the juvenile;

8 (2) If the results indicate that ~~secure~~ detention is not required,
9 the juvenile shall be released without restriction or released to an
10 alternative to detention nonsecure detention placement or supervision
11 ~~options shall be pursued~~; and

12 (3) If the results indicate that ~~secure~~ detention is required,
13 ~~detention at the secure level as indicated by the instrument~~ shall be
14 pursued.

15 Sec. 12. Section 43-272, Revised Statutes Supplement, 2015, is
16 amended to read:

17 43-272 (1)(a) In counties having a population of less than one
18 hundred fifty thousand inhabitants, when ~~when~~ any juvenile shall be
19 brought without counsel before a juvenile court, the court shall advise
20 such juvenile and his or her parent or guardian of their right to retain
21 counsel and shall inquire of such juvenile and his or her parent or
22 guardian as to whether they desire to retain counsel. The court shall
23 inform such juvenile and his or her parent or guardian of such juvenile's
24 right to counsel at county expense if none of them is able to afford
25 counsel. If the juvenile or his or her parent or guardian desires to have
26 counsel appointed for such juvenile, or the parent or guardian of such
27 juvenile cannot be located, and the court ascertains that none of such
28 persons are able to afford an attorney, the court shall forthwith appoint
29 an attorney to represent such juvenile for all proceedings before the
30 juvenile court, except that if an attorney is appointed to represent such
31 juvenile and the court later determines that a parent of such juvenile is

1 able to afford an attorney, the court shall order such parent or juvenile
2 to pay for services of the attorney to be collected in the same manner as
3 provided by section 43-290. If the parent willfully refuses to pay any
4 such sum, the court may commit him or her for contempt, and execution may
5 issue at the request of the appointed attorney or the county attorney or
6 by the court without a request.

7 (b) In counties having a population of one hundred fifty thousand or
8 more inhabitants, when any juvenile court petition is filed alleging
9 jurisdiction of a juvenile pursuant to subdivision (1), (2), (3)(b), or
10 (4) of section 43-247, counsel shall be appointed for such juvenile. The
11 court shall inform such juvenile and his or her parent or guardian of
12 such juvenile's right to counsel at county expense if none of them is
13 able to afford counsel. If the juvenile or his or her parent or guardian
14 desires to have counsel appointed for such juvenile, or the parent or
15 guardian of such juvenile cannot be located, and the court ascertains
16 that none of such persons are able to afford an attorney, the court shall
17 forthwith appoint an attorney to represent such juvenile for all
18 proceedings before the juvenile court, except that if an attorney is
19 appointed to represent such juvenile and the court later determines that
20 a parent of such juvenile is able to afford an attorney, the court shall
21 order such parent or juvenile to pay for services of the attorney to be
22 collected in the same manner as provided by section 43-290. If the parent
23 willfully refuses to pay any such sum, the court may commit him or her
24 for contempt, and execution may issue at the request of the appointed
25 attorney or the county attorney or by the court without a request.

26 (2) The court, on its own motion or upon application of a party to
27 the proceedings, shall appoint a guardian ad litem for the juvenile: (a)
28 If the juvenile has no parent or guardian of his or her person or if the
29 parent or guardian of the juvenile cannot be located or cannot be brought
30 before the court; (b) if the parent or guardian of the juvenile is
31 excused from participation in all or any part of the proceedings; (c) if

1 the parent is a juvenile or an incompetent; (d) if the parent is
2 indifferent to the interests of the juvenile; or (e) in any proceeding
3 pursuant to the provisions of subdivision (3)(a) of section 43-247.

4 A guardian ad litem shall have the duty to protect the interests of
5 the juvenile for whom he or she has been appointed guardian, and shall be
6 deemed a parent of the juvenile as to those proceedings with respect to
7 which his or her guardianship extends.

8 (3) The court shall appoint an attorney as guardian ad litem. A
9 guardian ad litem shall act as his or her own counsel and as counsel for
10 the juvenile, unless there are special reasons in a particular case why
11 the guardian ad litem or the juvenile or both should have separate
12 counsel. In such cases the guardian ad litem shall have the right to
13 counsel, except that the guardian ad litem shall be entitled to appointed
14 counsel without regard to his or her financial ability to retain counsel.
15 Whether such appointed counsel shall be provided at the cost of the
16 county shall be determined as provided in subsection (1) of this section.

17 (4) By July 1, 2015, the Supreme Court shall provide by court rule
18 standards for guardians ad litem for juveniles in juvenile court
19 proceedings.

20 (5) By July 1, 2017, the Supreme Court shall provide guidelines
21 setting forth standards for all attorneys who practice in juvenile court.

22 Sec. 13. Section 43-272.01, Revised Statutes Supplement, 2015, is
23 amended to read:

24 43-272.01 (1) A guardian ad litem as provided for in subsections (2)
25 and (3) of section 43-272 shall be appointed when a child is removed from
26 his or her surroundings pursuant to subdivision (2) or (3) of section
27 43-248, subsection (2) of section 43-250, or section 43-251. If a county
28 has a guardian ad litem division created under section 14 of this act,
29 the court shall appoint the guardian ad litem division unless a conflict
30 of interest exists or the court determines that an appointment outside of
31 the guardian ad litem division would be more appropriate to serve the

1 child's best interests. If removal has not occurred, a guardian ad litem
2 shall be appointed at the commencement of all cases brought under
3 subdivision (3)(a) or (7) of section 43-247 and section 28-707.

4 (2) In the course of discharging duties as guardian ad litem, the
5 person so appointed shall consider, but not be limited to, the criteria
6 provided in this subsection. The guardian ad litem:

7 (a) Is appointed to stand in lieu of a parent for a protected
8 juvenile who is the subject of a juvenile court petition, shall be
9 present at all hearings before the court in such matter unless expressly
10 excused by the court, and may enter into such stipulations and agreements
11 concerning adjudication and disposition deemed by him or her to be in the
12 juvenile's best interests;

13 (b) Is not appointed to defend the parents or other custodian of the
14 protected juvenile but shall defend the legal and social interests of
15 such juvenile. Social interests shall be defined generally as the usual
16 and reasonable expectations of society for the appropriate parental
17 custody and protection and quality of life for juveniles without regard
18 to the socioeconomic status of the parents or other custodians of the
19 juvenile;

20 (c) May at any time after the filing of the petition move the court
21 of jurisdiction to provide medical or psychological treatment or
22 evaluation as set out in section 43-258. The guardian ad litem shall have
23 access to all reports resulting from any examination ordered under
24 section 43-258, and such reports shall be used for evaluating the status
25 of the protected juvenile;

26 (d) Shall make every reasonable effort to become familiar with the
27 needs of the protected juvenile which (i) shall include consultation with
28 the juvenile in his or her respective placement within two weeks after
29 the appointment and once every six months thereafter, unless the court
30 approves other methods of consultation as provided in subsection (6) of
31 this section, and inquiry of the most current caseworker, foster parent,

1 or other custodian and (ii) may include inquiry of others directly
2 involved with the juvenile or who may have information or knowledge about
3 the circumstances which brought the juvenile court action or related
4 cases and the development of the juvenile, including biological parents,
5 physicians, psychologists, teachers, and clergy members;

6 (e) May present evidence and witnesses and cross-examine witnesses
7 at all evidentiary hearings. In any proceeding under this section
8 relating to a child of school age, certified copies of school records
9 relating to attendance and academic progress of such child are admissible
10 in evidence;

11 (f) Shall be responsible for making written reports and
12 recommendations to the court at every dispositional, review, or
13 permanency planning hearing regarding the temporary and permanent
14 placement of the protected juvenile, the type and number of contacts with
15 the juvenile, the type and number of contacts with other individuals
16 described in subdivision (d) of this subsection, and any further relevant
17 information on a form prepared by the Supreme Court. As an alternative to
18 the written reports and recommendations, the court may provide the
19 guardian ad litem with a checklist that shall be completed and presented
20 to the court at every dispositional or review hearing. A copy of the
21 written reports and recommendations to the court or a copy of the
22 checklist presented to the court shall also be submitted to the Foster
23 Care Review Office for any juvenile in foster care placement as defined
24 in section 43-1301;

25 (g) Shall consider such other information as is warranted by the
26 nature and circumstances of a particular case; and

27 (h) May file a petition in the juvenile court on behalf of the
28 juvenile, including a supplemental petition as provided in section
29 43-291.

30 (3) Nothing in this section shall operate to limit the discretion of
31 the juvenile court in protecting the best interests of a juvenile who is

1 the subject of a juvenile court petition.

2 (4) For purposes of subdivision (2)(d) of this section, the court
3 may order the expense of such consultation, if any, to be paid by the
4 county in which the juvenile court action is brought or the court may,
5 after notice and hearing, assess the cost of such consultation, if any,
6 in whole or in part to the parents of the juvenile. The ability of the
7 parents to pay and the amount of the payment shall be determined by the
8 court by appropriate examination.

9 (5) The guardian ad litem may be compensated on a per-case
10 appointment system or pursuant to a system of multi-case contracts or may
11 be employed by a guardian ad litem division created pursuant to section
12 14 of this act. If a county creates a guardian ad litem division,
13 guardian ad litem appointments shall be made first from the guardian ad
14 litem division unless a conflict exists or the court determines that an
15 appointment outside of the guardian ad litem division would be more
16 appropriate to serve the child's best interests. Regardless of the method
17 of compensation, billing hours and expenses for court-appointed guardian
18 ad litem services shall be submitted to the court for approval and shall
19 be recorded on a written, itemized billing statement signed by the
20 attorney responsible for the case. Billing hours and expenses for
21 guardian ad litem services rendered under a contract for such services
22 shall be submitted to the entity with whom the guardian ad litem
23 contracts in the form and manner prescribed by such entity for approval.
24 Case time for guardian ad litem services shall be scrupulously accounted
25 for by the attorney responsible for the case. Additionally, in the case
26 of a multi-lawyer firm or organization retained for guardian ad litem
27 services, the name of the attorney or attorneys assigned to each guardian
28 ad litem case shall be recorded.

29 (6) The guardian ad litem shall meet in person with the juvenile for
30 purposes of the consultation required by subdivision (2)(d) of this
31 section unless prohibited or made impracticable by exceptional

1 circumstances, including, but not limited to, situations in which an
2 unreasonable geographical distance is involved between the location of
3 the guardian ad litem and the juvenile. When such exceptional
4 circumstances exist, the guardian ad litem shall attempt such
5 consultation by other reasonable means, including, but not limited to, by
6 telephone or suitable electronic means, if the juvenile is of sufficient
7 age and capacity to participate in such means of communication and there
8 are no other barriers preventing such means of communication. If
9 consultation by telephone or suitable electronic means is not feasible,
10 the guardian ad litem shall seek direction from the court as to any other
11 acceptable method by which to accomplish consultation required by
12 subdivision (2)(d) of this section.

13 Sec. 14. (1) A county board may create a county guardian ad litem
14 division to carry out section 43-272.01.

15 (2) The county board shall appoint a division director for the
16 guardian ad litem division. The division director shall be an attorney
17 admitted to practice law in Nebraska with at least five years of Nebraska
18 juvenile court experience as a guardian ad litem for children, including
19 both trial and appellate practice experience, prior to appointment. The
20 division director may appoint assistant guardians ad litem and other
21 employees as are reasonably necessary to permit him or her to effectively
22 and competently fulfill the responsibilities of the division, subject to
23 the approval and consent of the county board. All assistant guardians ad
24 litem shall be attorneys admitted to practice law in Nebraska and shall
25 comply with all requirements of the Supreme Court relating to guardians
26 ad litem.

27 (3) All assistant guardians ad litem employed by the division shall
28 devote their full time to the work of the division and shall not engage
29 in the private practice of law so long as each assistant guardian ad
30 litem receives the same annual salary as each deputy county attorney of
31 comparable ability and experience receives in such counties.

1 (4) The director and any assistant guardian ad litem employed by the
2 division shall not solicit or accept any fee for representing a child in
3 a case in which the director or the assistant guardian ad litem is
4 already acting as the child's court-appointed guardian ad litem.

5 Sec. 15. Section 43-273, Reissue Revised Statutes of Nebraska, is
6 amended to read:

7 43-273 Counsel and guardians ad litem appointed outside of the
8 guardian ad litem division as provided in section 43-272 shall apply to
9 the court before which the proceedings were had for fees for services
10 performed. The court upon hearing the application shall fix reasonable
11 fees. The county board of the county wherein the proceedings were had
12 shall allow the account, bill, or claim presented by any attorney or
13 guardian ad litem for services performed under section 43-272 in the
14 amount determined by the court. No such account, bill, or claim shall be
15 allowed by the county board until the amount thereof shall have been
16 determined by the court.

17 Sec. 16. (1) In any court proceeding, any waiver of the right to
18 counsel by a juvenile shall be made in open court, shall be recorded, and
19 shall be confirmed in a writing signed by the juvenile.

20 (2) A court shall not accept a juvenile's waiver of the right to
21 counsel unless the waiver satisfies subsection (1) of this section and is
22 an affirmative waiver that is made intelligently, voluntarily, and
23 understandingly. In determining whether such waiver was made
24 intelligently, voluntarily, and understandingly, the court shall
25 consider, among other things: (a) The age, intelligence, and education of
26 the juvenile, (b) the juvenile's emotional stability, and (c) the
27 complexity of the proceedings.

28 (3) The court shall ensure that a juvenile represented by an
29 attorney consults with his or her attorney before any waiver of counsel.

30 (4) No parent, guardian, custodian, or other person may waive the
31 juvenile's right to counsel.

1 (5) A juvenile's right to be represented by counsel may not be
2 waived in the following circumstances:

3 (a) If the juvenile is under the age of fourteen;

4 (b) For a detention hearing;

5 (c) For any dispositional hearing where out-of-home placement is
6 sought; or

7 (d) If there is a motion to transfer the juvenile from juvenile
8 court to county court or district court.

9 Sec. 17. Section 43-279, Reissue Revised Statutes of Nebraska, is
10 amended to read:

11 43-279 (1) The adjudication portion of hearings shall be conducted
12 before the court without a jury, applying the customary rules of evidence
13 in use in trials without a jury. When the petition alleges the juvenile
14 to be within the provisions of subdivision (1), (2), (3)(b), or (4) of
15 section 43-247 and the juvenile or his or her parent, guardian, or
16 custodian appears with or without counsel, the court shall inform the
17 parties:

18 (a) Of the nature of the proceedings and the possible consequences
19 or dispositions pursuant to sections 43-284 to 43-286, 43-289, and 43-290
20 that may apply to the juvenile's case following an adjudication of
21 jurisdiction;

22 (b) Of such juvenile's right to counsel as provided in sections
23 43-272 and 43-273;

24 (c) Of the privilege against self-incrimination by advising the
25 juvenile, parent, guardian, or custodian that the juvenile may remain
26 silent concerning the charges against the juvenile and that anything said
27 may be used against the juvenile;

28 (d) Of the right to confront anyone who testifies against the
29 juvenile and to cross-examine any persons who appear against the
30 juvenile;

31 (e) Of the right of the juvenile to testify and to compel other

1 witnesses to attend and testify in his or her own behalf;

2 (f) Of the right of the juvenile to a speedy adjudication hearing;
3 and

4 (g) Of the right to appeal and have a transcript for such purpose.

5 After giving such warnings and admonitions, the court may accept an
6 in-court admission by the juvenile of all or any part of the allegations
7 in the petition if the court has determined from examination of the
8 juvenile and those present that such admission is intelligently,
9 voluntarily, and understandingly made and with an affirmative waiver of
10 rights and that a factual basis for such admission exists. The waiver of
11 the right to counsel shall satisfy section 16 of this act. The court may
12 base its adjudication provided in subsection (2) of this section on such
13 admission.

14 (2) If the juvenile denies the petition or stands mute the court
15 shall first allow a reasonable time for preparation if needed and then
16 consider only the question of whether the juvenile is a person described
17 by section 43-247. After hearing the evidence on such question, the court
18 shall make a finding and adjudication, to be entered on the records of
19 the court, whether or not the juvenile is a person described by
20 subdivision (1), (2), (3)(b), or (4) of section 43-247 based upon proof
21 beyond a reasonable doubt. If an Indian child is involved, the standard
22 of proof shall be in compliance with the Nebraska Indian Child Welfare
23 Act, if applicable.

24 (3) If the court shall find that the juvenile named in the petition
25 is not within the provisions of section 43-247, it shall dismiss the
26 case. If the court finds that the juvenile named in the petition is such
27 a juvenile, it shall make and enter its findings and adjudication
28 accordingly, designating which subdivision or subdivisions of section
29 43-247 such juvenile is within; the court shall allow a reasonable time
30 for preparation if needed and then proceed to an inquiry into the proper
31 disposition to be made of such juvenile.

1 Sec. 18. Section 43-3503, Revised Statutes Cumulative Supplement,
2 2014, is amended to read:

3 43-3503 (1) It is the intent of the Legislature to encourage

21 comprising a local juvenile justice advisory committee as provided for in
22 subdivision (1) of section 43-3505 or a similar committee or group of
23 individuals. The plan shall be submitted to the Nebraska Commission on
24 Law Enforcement and Criminal Justice and shall include:

Purpose of the day

- Background on Connected Youth Initiative (CYI) and Social Innovation Fund (SIF)

nebraskachildren
CONNECTED YOUTH INITIATIVE

Cultivating the good life for all of our children.

Social Innovation Fund

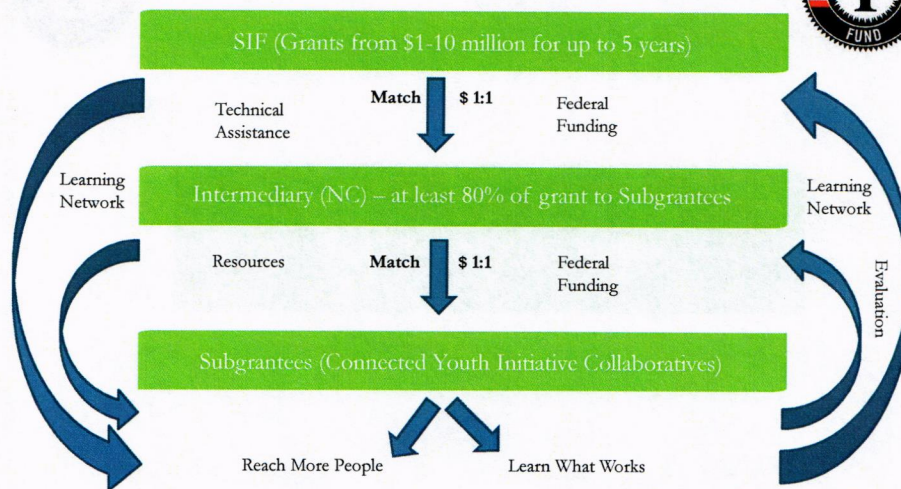

SIF Goal: *finding what works, and making it work for more people*

- The Social Innovation Fund (SIF) positions the federal government to be a catalyst for impact—mobilizing private resources to find and grow community solutions with evidence of results.
- A program of the Corporation for National and Community Service (CNCS), SIF empowers organizations to identify and support sustainable solutions that are already making a significant impact in transforming communities.
- SIF and its grantees create a learning network of organizations working to implement innovative and effective evidence-based solutions in three priority areas:
 - economic opportunity
 - healthy futures
 - youth development

Cultivating the good life for all of our children.

Social Innovation Fund

Cultivating the good life for all of our children.

CYI Goal

To build Connected Youth community collaborations across Nebraska to help unconnected young people with experience in the foster care and juvenile justice systems, who may be struggling with homelessness, or who are disconnected from a family structure.

“ Without the support of a family the barriers can seem insurmountable. ”

Cultivating the good life for all of our children.

Unconnected Youth

- Unconnected youth are defined as young adults ages 14 -24 who find themselves disconnected from a positive life course because they:
 - are currently or have been in the Nebraska foster care system,
 - have had contact with child protective services,
 - have had juvenile justice system involvement (including diversion or young adults transitioning out of Probation),
 - have experienced homelessness or near-homelessness, and
 - are lacking the services and supports they need to make successful transitions to adulthood.

Cultivating the good life for all of our children.

CYI History

Project Everlast/CYI Urban Model

- Project Everlast is a grassroots effort that utilizes community resources to improve youth opportunities and networks for housing, transportation, health care, connections to supportive peers and adults, educational attainment, employment and career pathways, financial education and asset accumulation.
- In 2007, NC led a process involving more than 40 public and private partners to create The Omaha Independent Living Plan, which became Project Everlast.
- Project Everlast has a youth driven infrastructure that utilizes the best practices of:
 - Central Access navigation services,
 - Individual Development Accounts (IDAs) and financial literacy,
 - Voluntary transitional case management services, and
 - alignment of existing services to help youth transition towards self-reliance in adulthood.

CONNECTED YOUTH INITIATIVE

CYI History

SSRHY / Rural Model

- In 2009, Community Action Partnership of Western Nebraska (CAPWN) became the “local collaborating partner” with NE Department of Health and Human Services (DHHS) and NC for one of six national demonstration grants from the Family and Youth Services Bureau (FYSB).
- Supportive Services for Rural Homeless Youth (SSRHY) explored the impact of providing additional case management and supportive services to older youth (ages 16-21) who are homeless or near homeless, including youth leaving the foster care system or in independent living. Services include:
 - access to health care,
 - mental health,
 - education,
 - employment training, and
 - independent living skills
 - youth leadership
- Caring about the youth, and connecting with other leaders and programs in the community was a major strength of the program. The community was focused on working together, thus barriers have been removed for youth. Relationship building between the staff and youth was a key component to the program.

CYI History

Beginning of a Statewide System

In 2012, NC conducted statewide focus groups of youth ages 14 to 21 with current or former foster care experience. 108 youth participated in eight cities with active Project Everlast Youth Councils.

Youth suggestions included:

- ✓ making supports more inclusive of non-college bound youth and older youth who do achieve permanency,
- ✓ being more flexible in initial and ongoing eligibility requirements - including an open door policy for youth who may walk away from available supports but decide at a later time to re-engage with services,
- ✓ offering more consistent and longer-term support and guidance,
- ✓ ensuring caseworkers and other service providers are knowledgeable about specific elements of services available, and
- ✓ raising awareness about services in general – both among service providers and youth.

Cultivating the good life for all of our children.

CYI History

Beginning of a Statewide System

- The combination of a successful urban model (Project Everlast), a successful rural model (SSRHY), and statewide youth feedback to create an Extension of Foster Care to 21 program with DHHS (the Bridge to Independence program), has laid the foundation to the core elements and principles necessary to support older youth in rural Nebraska communities.
- CYI will allow Nebraska Children and community partners to expand these established practices to serve more youth across the state of Nebraska.

Cultivating the good life for all of our children.

CYI Approach

Develop a Cross-Sector Collaborative of High-Level System Leaders that:

- significantly improve the effectiveness of the organizations and systems in place to serve and support unconnected youth and reconnect them with their communities;
- establish or enhance sustainable cross-sector community collaboratives with an identified lead backbone organization capable of taking the CYI model to scale in their geographic areas;
- use high quality data to ensure focus on priority needs of the target populations;
- apply evidence-based practices and policies in the local implementation of the CYI model specific to priority youth needs;
- provide capacity building supports to community collaboratives to support effective and efficient scaling of the CYI model;
- support rigorous evaluation of the process and impact areas relevant to both the collaborative system of supports and the desired outcomes for target youth; and
- braid existing, and secure new, financing mechanisms to:
 - meet the SIF local match requirements and
 - grow and sustain a full array of services available locally for the target youth population.

CYI Core Components for Youth

Cultivating the good life for all of our children.

CYI Outcome Areas for Youth

1. **Personal and Community Engagement:** Youth have supportive relationships, are able to access services in the community to achieve their personal goals and have a voice and connection to their community.
2. **Education:** Youth receive sufficient education and training to enable them to obtain and retain employment.
3. **Employment:** Youth generate a sufficient income to support themselves by obtaining and retaining employment.

CYI Evaluation

- SIF's purpose is to grow **innovative, evidence-based approaches** used by organizations to improve the lives of people served by those organizations. By building the evidence-base of what works in supporting unconnected youth transitioning to adulthood, our SIF project has the potential to improve how organized philanthropy, government, and community-based organizations deploy funds to address social challenges faced by unconnected young adults.
- NC is implementing a rigorous evaluation plan in partnership with its independent, third-party evaluators WestEd and UNO, subrecipients, and with guidance and support from the CNCS SIF evaluation team.
- Subrecipients will commit significant time and resources to ensure formal evaluations of the local CYI framework throughout the funded grant period.
- Evaluation will be evidence-based and utilize informed best practices.

CONNECTED YOUTH INITIATIVE

Nebraska Children and Families Foundation has awarded grants ranging from \$100,000 to \$150,000 per year to six statewide communities over two years. Each community will use the funding to build a Connected Youth Initiative (CYI) system to serve unconnected young people in need. The CYI is based on the successful practices of existing initiatives in Omaha, Lincoln and the Panhandle helping unconnected youth transition successfully to adulthood.

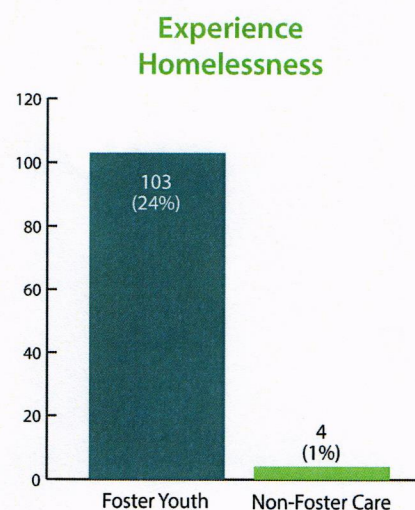

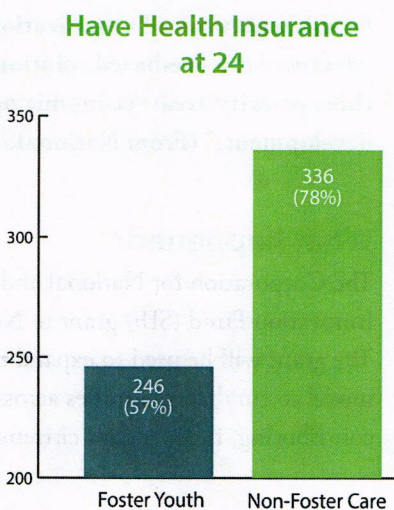

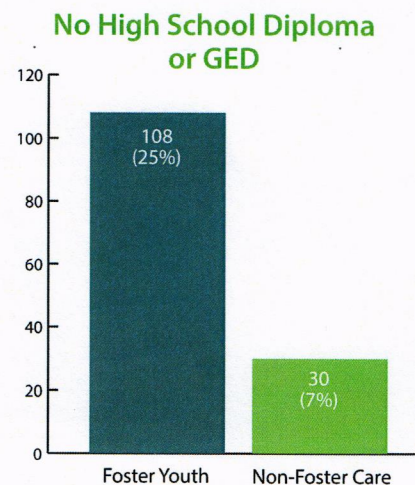

THE NEED

Who will be served?

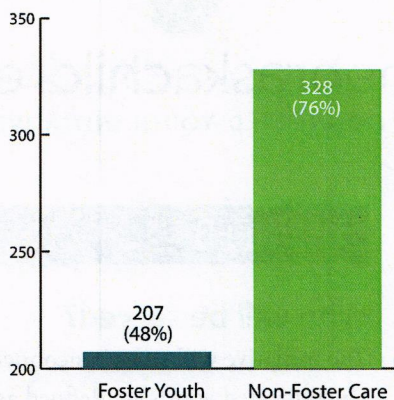

The initiative will serve “unconnected youth” in rural Nebraska communities. Unconnected youth are defined as young people between 14-24 who are currently or have been in the Nebraska foster care system, have had contact with the child protective services, have had contact with the juvenile justice system (but are not on probation), or are homeless or near homeless.

Why does this matter?

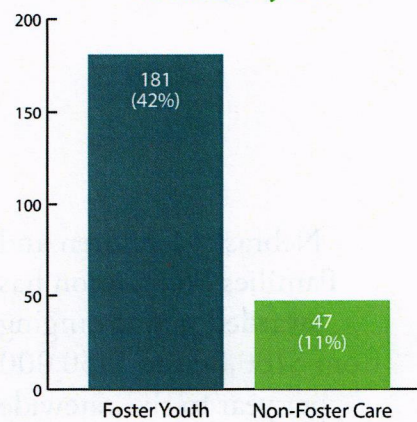

Without community support, unconnected youth are unlikely to reach their full potential. Take a look at the projected outcomes for the 431 foster youth ages 17+ in Greater Nebraska, compared to 431 of their peers not in the system:

Employed at 24

Arrested by 24

Have 1+ Pregnancies by 24

Receive Food Stamps

FUNDING

What is SIF?

The Corporation for National and Community Service created the Social Innovation Fund (SIF), a key White House initiative intended to **“create a learning network of organizations working to implement innovative and effective evidence-based solutions to local and national challenges in three priority areas: economic opportunity, healthy futures, and youth development.”** (From NationalService.gov)

What happened?

The Corporation for National and Community Service has awarded a Social Innovation Fund (SIF) grant to Nebraska Children and Families Foundation. The grant will be used to expand the successful older youth system of care model to rural communities across the state to help unconnected youth become contributing, independent citizens.

How much?

Over the next 5 years, a total of \$15 million will be invested in rural Nebraska communities thanks to the SIF grant.

- \$5 million in federal funds (\$1 million per year for 5 years)
- \$5 million in private match funds (\$1 million per year for 5 years)

\$5 million in dollar-for-dollar match dollars from the communities that receive SIF subgrants Jim Casey Youth Opportunities, a national expert on unconnected youth, estimates that each annual class of young people who age out of care cost Nebraska approximately \$90 million over their lifetime in lost tax revenue, criminal justice expenses and public assistance costs. Outcomes are similar for those with juvenile justice experience.

IMPLEMENTATION

Communities receiving grants are:

- North Platte Area (Lincoln County)
- Grand Island Area (Hall, Dawson, Buffalo, Merrick, Hamilton, Phelps, Kearney, Adams, Clay, Harlan, Franklin, Webster and Nuckolls Counties)
- Norfolk Area (Madison, Pierce, Wayne and Stanton County)
- Fremont Area (Dodge County)
- Central Plains (Custer, Garfield, Blaine, Sherman, Valley and Loup Counties)
- Southeast Nebraska (Butler, Cass, Fillmore, Gage, Jefferson, Johnson, Nemaha, Otoe, Pawnee, Polk, Richardson, Saline, Seward, Thayer and York Counties)

About the Connected Youth model

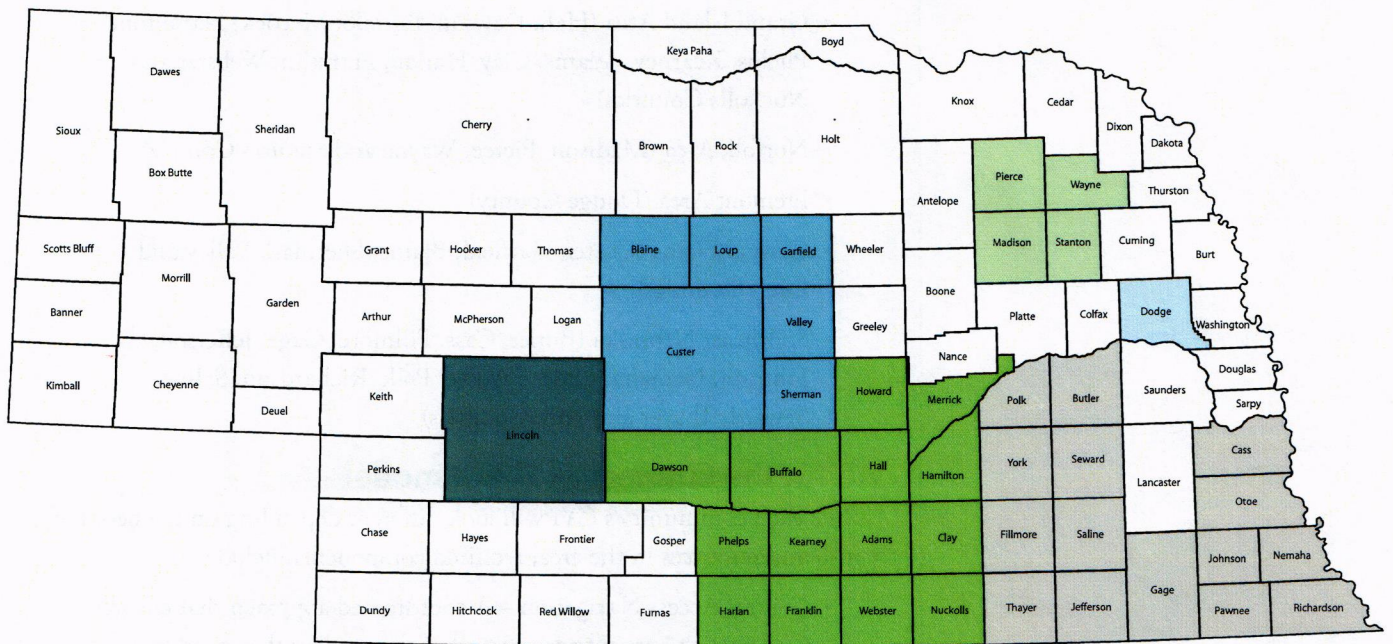

While each community's CYI will look different depending on the needs of youth and resources in the area, required components include:

- Central Access Navigation – A coordinated approach that ensures CYI participants get access to all of the services they need in a streamlined, common-sense way. By coordinating services and helping youth navigate them through a central access point, the Families First Partnership can avoid duplication of efforts and effectively track the progress of young people.
- Opportunity Passport™ – A nationally recognized financial literacy and asset-building program. Participating youth open Individual Development Accounts (IDAs) at a local bank, learn financial literacy skills, and save money for things like tuition, security deposits on apartments, or a car to take them to school and work. Youth savings are matched up to 4-to-1, helping them reach their goals more quickly.

- Voluntary Youth Services - An array of basic needs services and supports including: health, mental health, housing and transportation resources, assistance in obtaining personal records (birth certificates), parenting resources, nutrition and healthy lifestyles, which are provided by multiple community partners working in unison for youth.
- Youth voice – A council of area youth to provide input on how the CYI system should be set up and what services are most necessary.

Each of the six CYI grant communities will begin implementing their work plan immediately. WestEd, in conjunction with the University of Nebraska, will serve as a third-party evaluator to ensure fidelity to the original model, assess outcomes and make sure the community efforts are having the desired impact.

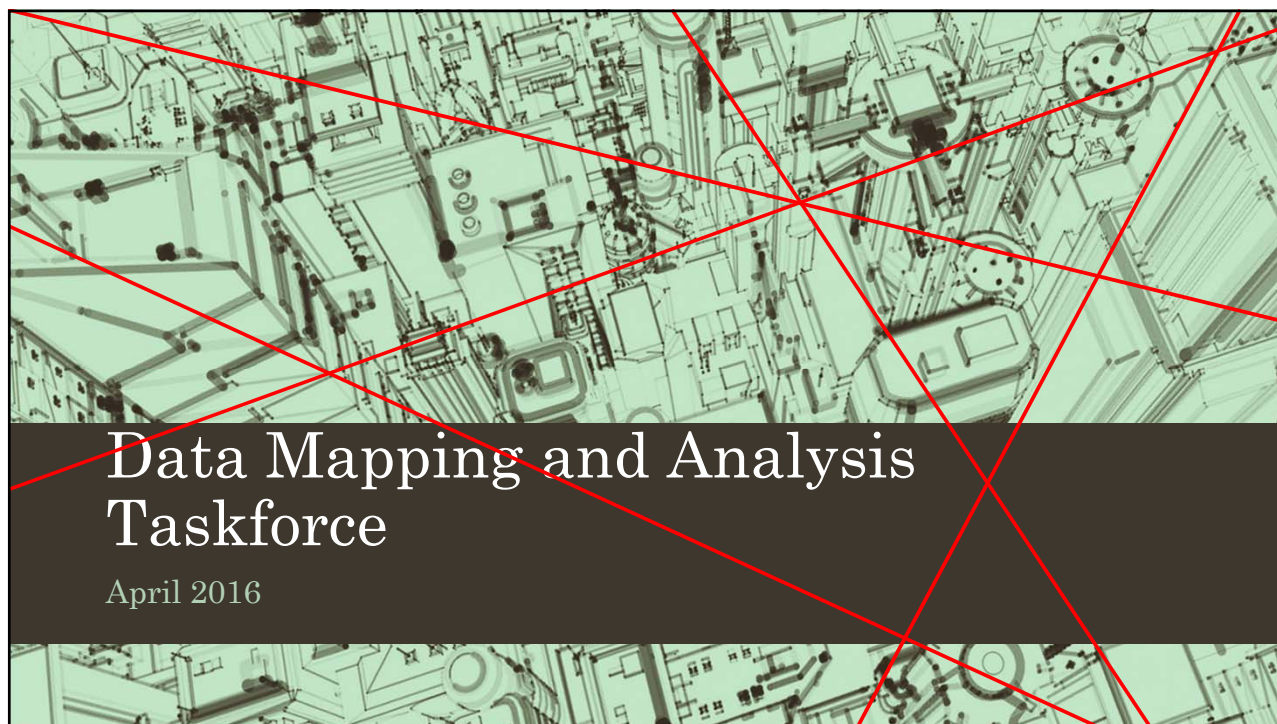

The model for the new Connected Youth Community systems is a combination of the Omaha Independent Living Plan (2007) and the Social Services Rural Homeless Youth federal demonstration grant (2009). This model uses a collaborative leadership process to focus on the needs of unconnected youth by aligning current community efforts, developing additional resources, creating an evaluation process, and merging statewide actions into the plan.

Data Mapping and Analysis Taskforce

April 2016

Importance of Data:

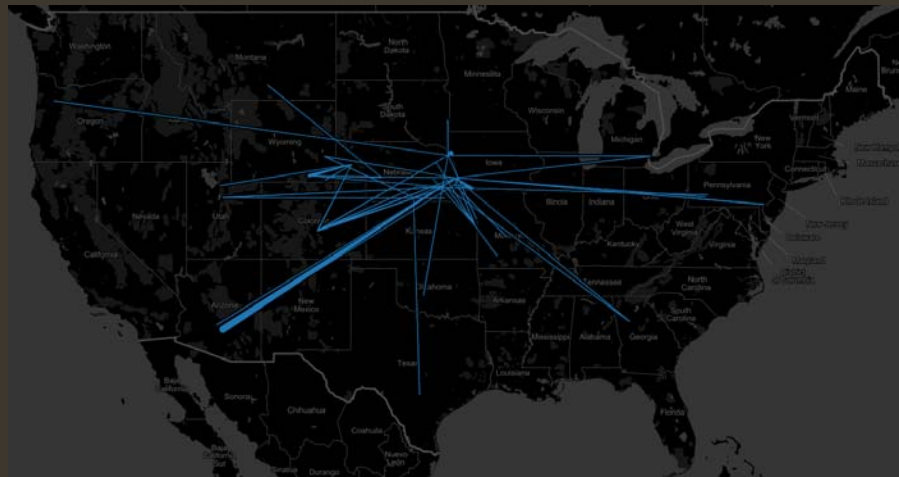

- Where we live, Where we go, what we buy, what we say.
- It is being compiled, but there is a trace in several different sources
- Active Measurement produced data
- We measure to improve
- More Data we get the bigger problems we can solve
- Visualizing data allows us to see how complex systems function.

Taskforce Goal

- The current scope of the taskforce is to better understand the proximity between a youth's placement and their residence and if there is a way to use existing facilities in order to pilot a multi-level of care system.
 - To answer these questions, the DMA Taskforce first investigated the proximity of out-of-state probation placements and placements to the YRTCs.
 - The goal of the analysis is to inform stakeholders of the distance between a youth's placement and their residence

JUSTICE Juvenile Record Linkage

Deterministic

Probabilistic

Probabilistic Record Linkage Software: Link Plus

- Link Plus is a probabilistic record linkage program developed at the U.S. Centers for Disease Control and Prevention (CDC), Cancer Division.
- Link Plus was written as a linkage tool for cancer registries, in support of CDC's National Program of Cancer Registries.
- It is an easy-to-use, stand-alone, Windows application that can be run in two modes:
 - Detect Duplicates
 - Link to Other
- Link Plus provides an option that allows you to use the name frequencies of 1990 Census data or National Death Index data when the current data file specified as File 1 does not provide reliable estimates of the distributions of last name and first name, which is often the case when you are working with small datasets.
- To compute the default M-probabilities, Link Plus uses the data to generate the frequencies of last names and first names and then computes the weights for last name and first name based on the frequencies of their values.

Field	m-prob	u-prob	agree	disagree
First Name	0.96	0.00191	5.66119	-2.92821
Last Name	0.97	0.00102	6.24490	-3.19088
Date of Birth	0.96	0.00069	6.58766	-2.92932

m-prob: The probability that a matching variable agrees given that the comparison pair being examined is a match. The M-probability measures the reliability of each data item. A value of 0 means the data item is totally unreliable (0%) and a value of 1 means that the data item is completely reliable (100%). Reasonable values range from 0.9 (90% reliable) to 0.9999 (99.99% reliable).

u-prob: The probability that a matching variable agrees given that comparison pair being examined as a non-match

agree: The agreement weight assigned for an agreement on a given matching variable

disagree: The disagreement weight assigned for a disagreement on a given matching variable

JUSTICE Matching Algorithm

- **Jaro-Winkler Metric**
- The Jaro-Winkler Metric is a string comparator which measures the partial agreement between two strings. In many matching situations, it is not possible to compare two strings exactly (character-by-character) because of typographical errors. Dealing with typographical errors via approximate strings comparison has been a major research effort in computer science. Jaro introduced a string comparator that accounts for random insertion, deletions, and transpositions. In a small study, Winkler showed that the Jaro comparator worked better than some other available comparators. In a large study, Budzinsky concluded that the comparators due to Jaro and Winkler were the best among twenty comparators available in computer science literature.
- The basic Jaro algorithm consists of three procedural components: (1) compute the string length, (2) find the number of common characters in the two strings, and (3) find the number of transpositions between the two strings. The definition of common characters used is that any agreeing characters must be within half the length of the shorter string. The definition of transposition is that the character from one string is out of order with the corresponding common character from the other string. Winkler enhanced the Jaro string comparator by assigning increased value to agreement on beginning characters of a string. This enhancement was based on ideas from a very large empirical study by Pollock and Zamora for the Chemical Abstract Service. The study showed that the fewest errors typically occur at the beginning of a string and that error rates by character position increase monotonically as the position moves to the right.
- The formula for the basic Jaro string comparator is as follows:
- The number of transpositions is calculated as follows: The first common character on one string is compared to the first common character on the other string. If the characters are not the same, half of a transposition has occurred. Then the second common character on one string is compared to the second common character on the other string, etc. The number of mismatched characters is divided by two to yield the number of transpositions.

JUSTICE Matching System

- The Soundex system is over 120 years old, and was first applied to 1880 census data. The Soundex code for a name consists of a letter followed by three numbers: the letter is the first letter of the name, and the numbers encode the remaining consonants. Zeroes are added at the end if necessary to produce a four-character code. Additional letters are disregarded.
- Example: Washington is coded W-252 (W, 2 for the S, 5 for the N, 2 for the G (remaining letters disregarded)
- Using the Soundex code phonetic system reduces matching problems due to different spellings, and is simple and fast.

JUSTICE Scored Matching

- Cutoff Value < 5.0
- The Cut Off Value is the linkage score For a comparison pair, the overall weight over all matching variables; a higher score means a higher likelihood of being a match. value above which comparison pairs are accepted as potential links. Enter a value in the box provided. The value should always be positive.

The models that will be promoted are Multi-Systemic Therapy (MST) and Boys Town In-Home Family Services (IHFS) model. The grant covers the time period of January 1, 2016 - December 31, 2018. Sites for services are currently being determined and an RFP will be released this spring.

(b) for a juvenile 14 years or older, a final conviction for a Class W misdemeanor based on a violation of state traffic laws or ordinances of any city or village enacted in conformance with state law; or

(c) a prosecution and final conviction as an adult for any crimes set forth in subsection (A) above.

(2) For juveniles that age out of the juvenile system within 1 year of program exit and who did not recidivate post-program as juveniles, the adult definition of post-program recidivism, including any drug-related or alcohol-related conviction, shall apply.

§ 1-1001 adopted September 25, 2013.

JJI

To meet the statutory obligation, JJI proposes measuring multiple variables designed to capture “the varying rates of recidivism.”

The rules and regulations promulgated define neither program effectiveness nor recidivism, so JJI has relied on the Nebraska Supreme Court’s definition.

In year one, JJI will examine whether youth who are referred to a program funded through community-based aid have:

1. Committed a law violation that would be considered recidivism under the Supreme Court definition (6 months after discharge and annually thereafter).
 - a. Separating law violations by class (felony, misdemeanor, status, and infraction), and type of law violation (e.g., drug offenses, crimes against property).
 - b. Is there a statistically significant difference between youth who successfully complete programs compared to youth who fail to complete a program?

Subsequent year measures:

2. Is the youth placed on probation in the state of Nebraska (6 months after discharge and annually thereafter)?
 - a. Length of stay on probation and type of discharge
3. Is the youth booked-in juvenile detention in Nebraska (6 months after discharge and annually thereafter)?
4. Is the youth detained in juvenile detention in Nebraska (6 months after discharge and annually thereafter)?
 - a. Length of stay
5. Is the youth committed to YRTC in Nebraska (6 months after discharge and annually thereafter)?
6. Is the youth detained in an adult facility in Nebraska (6 months after discharge and annually thereafter)?
