

Level of Care

9/17/12

SDM → Tennessee & other states

↳ CANs

Level of Care Tools

↳ disconnect CAN & pmt → need care giver piece

SDM assessment

Children's Research Center

Homework

VT, WIS & Children's Research Center

New Family

↳ Level of Care process

↳ used CANs → level of care

to points

workers doing it in isolation

↳ lost foster parents → logging about #

↳ need training

↳ hold harmless time

↳ WI. didn't do transition time

↳ 5 → 10 hrs to evaluate

Tennessee -

Phone Conversation → CANs integrated in
SDM → implementation info

↳ schedule him to Conference call

Indiana →

⊙ time to review information
↳ How you use the tool

Washington -

↳ ⊙ Contact

Tools

Do we have a few we can focus on?

CRI process → test implementation

Caregiver Tool → Carol, Barb, Joan, Karen

Small Group Discussions

- Crisis Management vs Reunification
- Transition
- Systemic Transportation
 - ↳ Time Travel

Lexington process - icebreaker

↳ 72 hrs

↳ of touching of dogs → ethnic issues
diverse ~~pop~~ populations

- Agency supported foster care

↳ failure of system & \$

50 miles west of Norfolk

Base rate

Systemic Transportation Costs

Foster Parents ~~From~~ Training

↳ Care giver qualification

Community Training → Hospital Training

How do singles fit in this process?

↳ demos on non-married households?

Conferences - Continuing Ed.

Agency review

↳ Statewide → west & no agencies

Child Characteristics

Lost 15, 20, 30 year Foster Families

Group learning circles

↳ reading groups?

↳ training for certain issues -
brain injury

↳ training → foster parent w/ agency
trainer

monthly visit → Federal requirement

→ Care taker forms

Foster Care Rate → Change Process

↳ upper 10%

↳ How do we know the % of children with behavior issues?

- Children ~~are~~ have behavior issues
- Trauma informed lens

~~Doesn't~~

- Doesn't mean they cost more

Alt Card data

OJS population

- Remove the most → return in 60 days

- Virginia → ~~the~~ Thomas

- Court & law enforcement → over-reactive

→ Service. or of trauma lens

→ mental health workers

→ Trauma informed Nebraska

→ "Secret" process → DHHHS → Polly Anna

→ Results Based

→ Foster parents only getting 40% of pmt from State

→ what is the State purchasing

→ where is the pmt coming from?

→ direct pay from DHHHS

- Negative incentive $\$$ to agency
- $\$$ to keep a child in treatment
- 6 age groups
- Legislature
- Needs to go to age 19
- as we look @ expectations → Very
few fuss about funding, etc. → $\$$ about
 $\$$ but about support
- ↳ need bigger network
- draft a motion for October meeting
about base rate
- ↳ assessment tool
- Marc & Federal info
- Levels of Care
↳ implementation
- IV-E Funding
- VT model
