

# NEBRASKA CONTINUOUS QUALITY IMPROVEMENT (CQI)

## Bridge to Independence December 2017 B2I Advisory Committee

- **Our Vision:** Partnering with families to safely care for children in their own homes and communities.

### **Our Commitments:**

1. Children are our #1 priority
2. We respect and value parents and families
3. We value partnerships
4. We are child welfare professionals

**Strengths/Opportunities:**

- Increase the number of Young Adults who are IV-E Funded

**Barriers:**

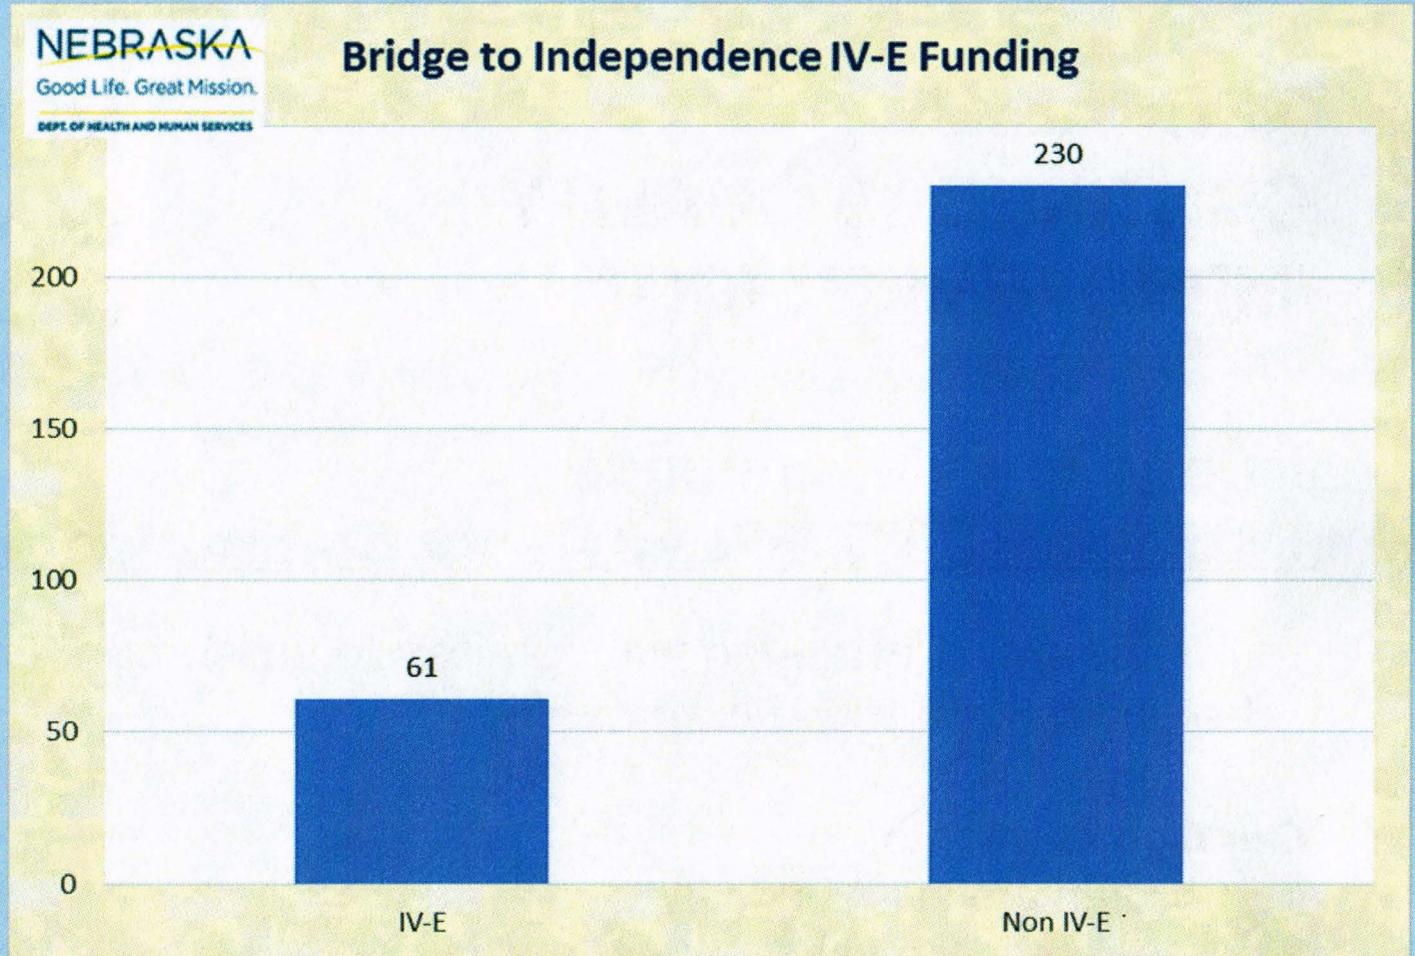

- IV-E denials need to be communicated to the field
- Income is reason for most IV-E denials

**Action Items:**

- IMFC will provide monthly data on reasons a young adult is denied IV-E eligibility
- IMFC will share a monthly spreadsheet identifying the reasons YA's have a pending determination
- The field and program specialist will work with YA's to obtain the necessary information so a determination can be made.

**CQI Team Priority:**

Nov '17 - IV-E = 40  
Sept '17 - IV-E = 28  
Aug '17 - IV-E = 8  
Jun '17 - IV-E = 7

The total number of youth active in the program as of December 6<sup>th</sup>, 2017 was 295. There are four youths who do not have a B2I case started as of the report date but have a legal status of Young Adult Voluntary Services.

Strengths/Opportunities:

- Opportunity to increase collaboration with Medicaid partners

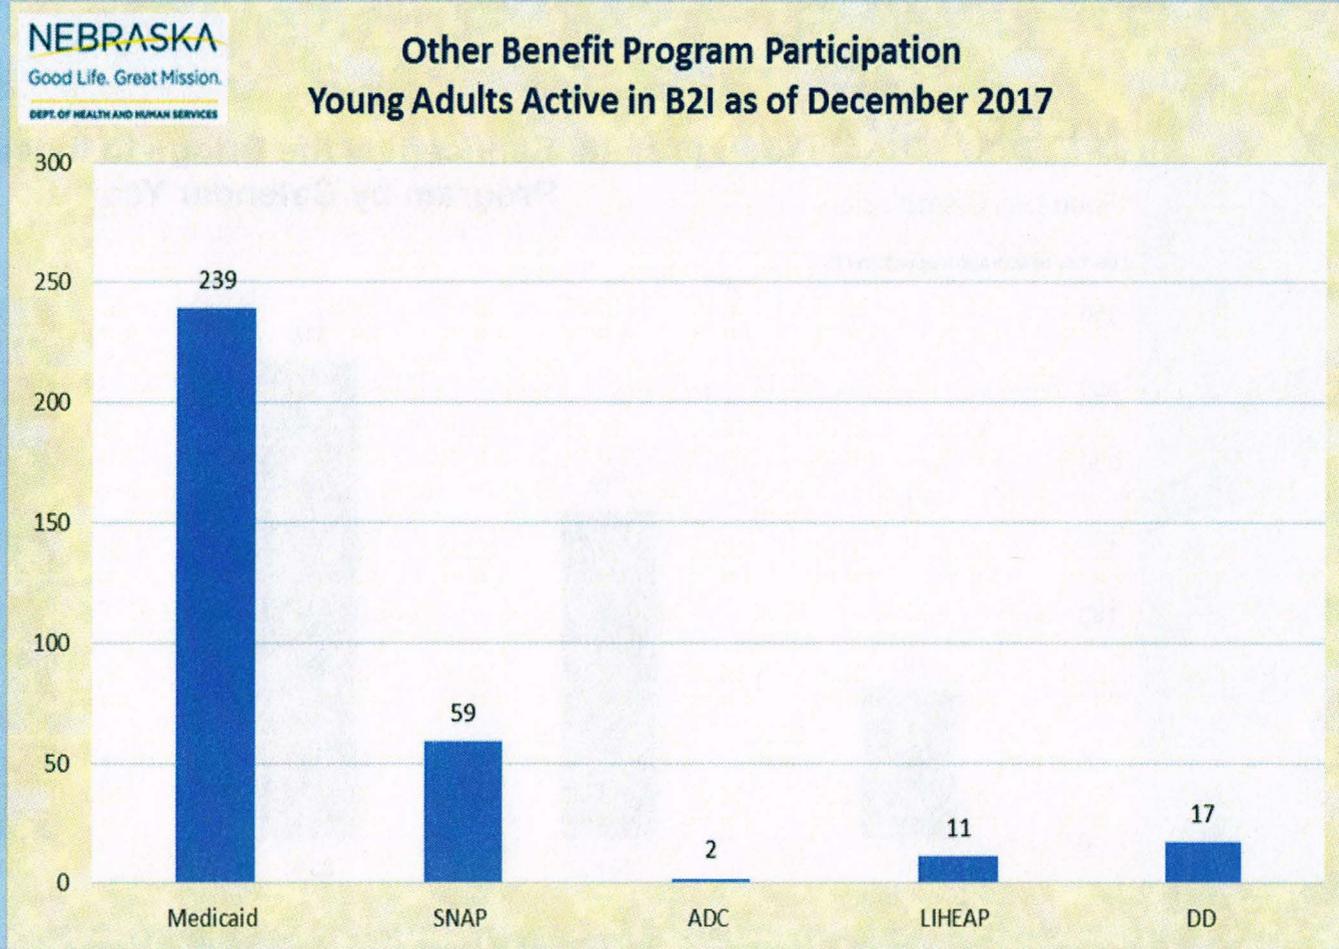

Barriers:

- Identify barriers to having Medicaid

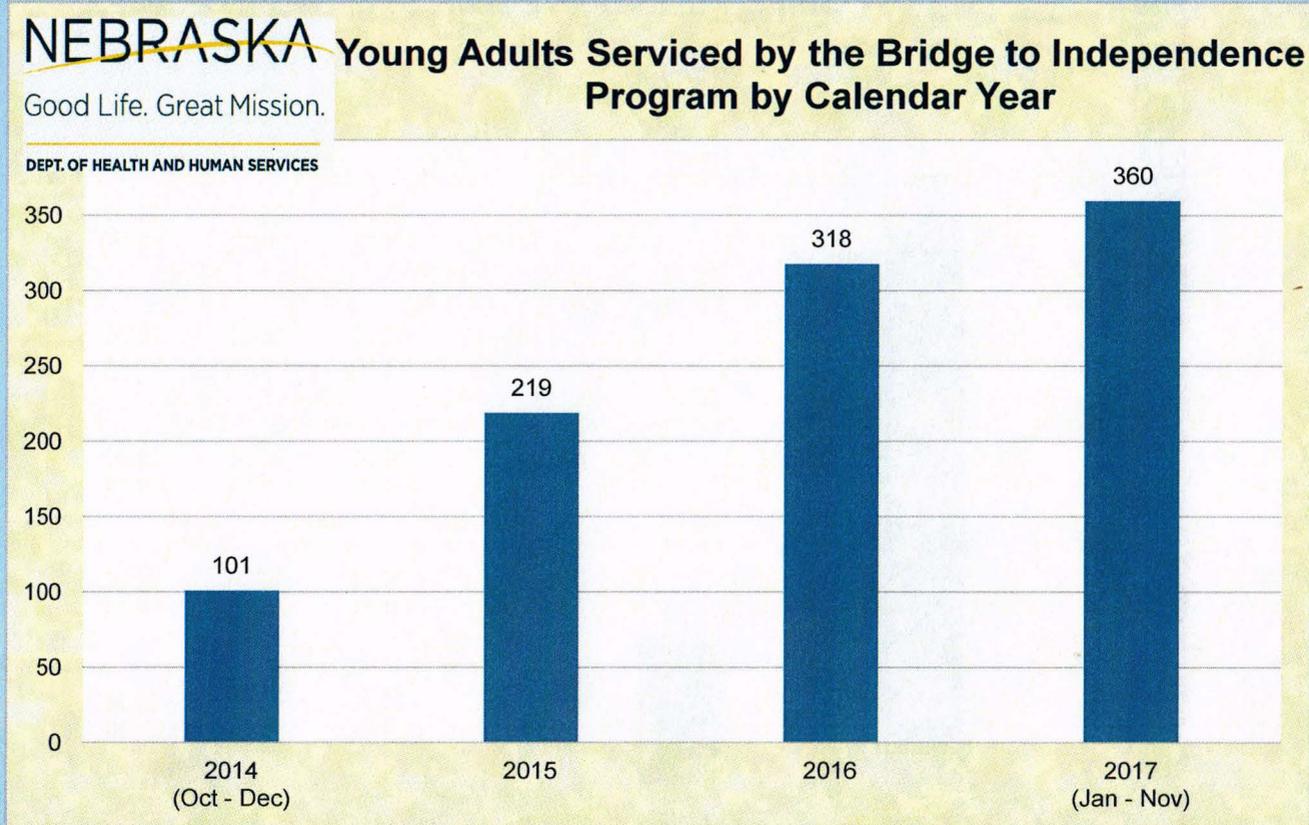

Action Items:

- Identify the YA's who do not have an active Medicaid case
- Determine next steps for each individual

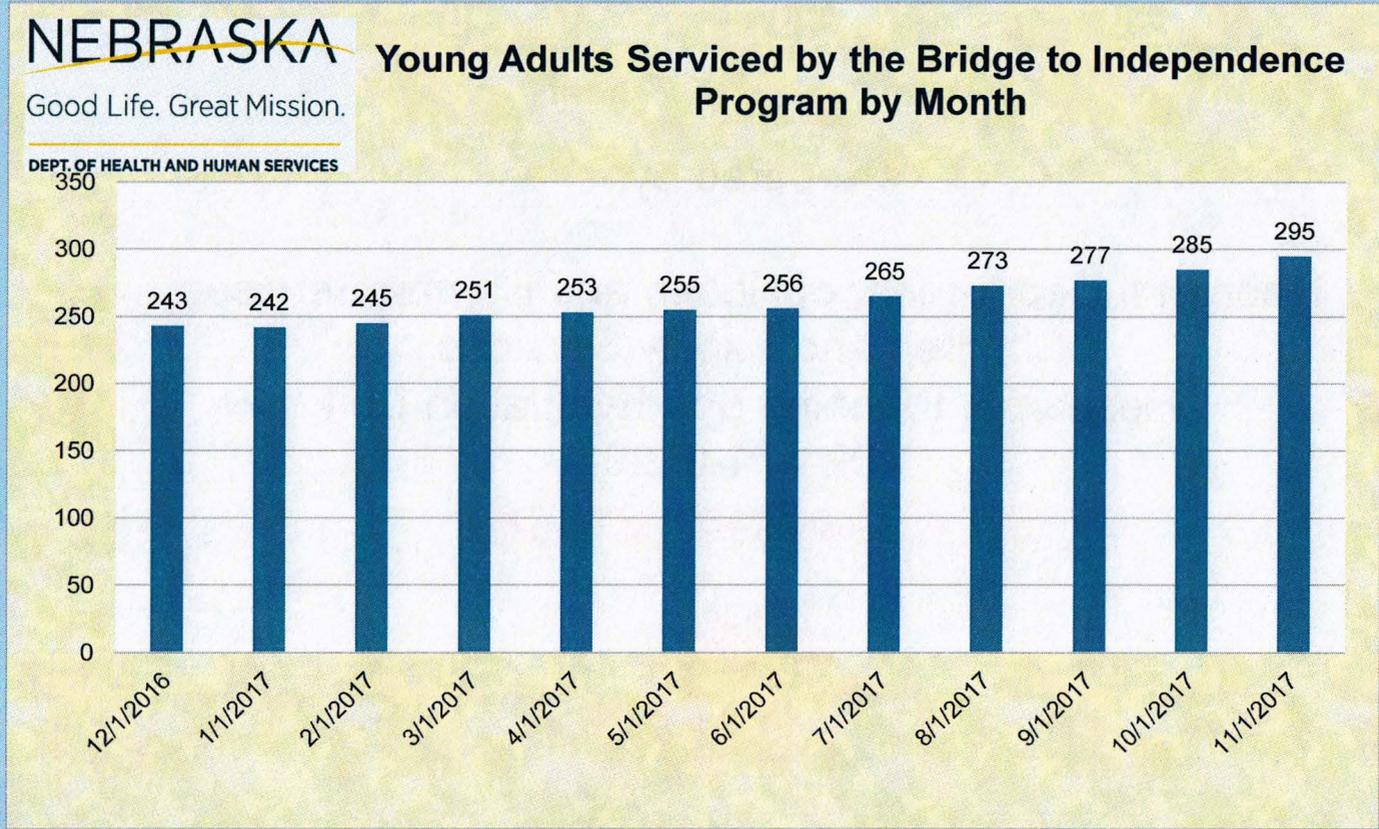

CQI Team Priority:

Young adults who have not had a budget run for their fund source are not included.
