The Benefits of Completing the B.E.S.T. Program as part of the Colfax County Diversion Program

If the young offender completes the BEST Program and all other Diversion requirements, the charges are dismissed, affording a rare opportunity for a fresh start.

The Colfax County Attorney realizes the impact a criminal record can have on young adults. Rather than hindering the futures of the offenders, County Attorney Kracl hopes these young adults are able to realize that by completing this program they can stay on track and continue their education and seek gainful employment in the future.

What We Do

The B.E.S.T. Program offers first time, non-violent offenders who complete the Diversion Program through the Colfax County Court a clean slate for their futures.
